

# Knowledge. Support. Education.

At NCS, we believe customer service is the cornerstone of our business. Our clients rely on us for our superior knowledge and support. We strive to be thought leaders in our industry and are always looking for ways to educate our customers—to help them make the best financial decisions possible.

## Education & Resources

We have educated countless credit professionals through NCS events, resources, and social media. We even provide customized training and education programs for our clients so they can get the most out of our products and services. We interact with not just your credit team, but also your legal, financial, sales and operations teams.

## Corporate & Bankruptcy Monitoring

We offer monitoring options that will alert you of changes to a registered entity's name or status, or if the entity files for bankruptcy protection.

## Credit Reporting

NCS now provides customers with comprehensive and effective credit reports, combining business trade and public record data segments from Experian, Dun and Bradstreet, Ansonia and other industry trade credit suppliers. Access the reports at any time in NCS Online Services. Choose the report option that's right for you. NCS provides the credit professional with a choice of cost-effective reports to match the risk involved.

## LienFinder™

LienFinder™ is an online database that captures commercial construction project data nationwide, from hundreds of recording offices daily. Locate essential project information and avoid potential payment risks through the review of nationally recorded Mechanic's Liens.

# Education & Resources

## The National Lien Digest©

The National Lien Digest© (NLD) is an easy-to-use guide to mechanic's lien laws in the U.S. and Canada. The NLD was created to simplify the complex process of filing notices, mechanic's liens and bond claims and has become the industry standard for credit professionals.

## LienTracker® Online

LienTracker® Online is the construction industry's leading cloud-based project management solution!

This easy to use, all-in-one-tool, allows users to create & manage an unlimited number of projects, generate statutorily written notices, print & mail notices via NCS mailing service, track more than 1800 statutorily determined deadlines and access to free lien waivers.

## OnDemand Webinars

Available for an annual subscription fee, Notice & Mechanic's Lien and UCC Services Webinars can be purchased as separate sets or they may be bundled together for a complete set. Now you can learn at your own convenience, 24/7.

## Events

NCS hosts and participates in numerous year-round events including webinars, seminars, trade shows, and conferences. Visit our website for a full calendar of events.

Customized presentations for your credit team are available on request! Call or email NCS to learn more.
