

NCS Credit's UCC Filing Services

Premium vs. Essential: Key Features

	PREMIUM UCC Filing Service	ESSENTIAL UCC Filing Service
Submit Requests: Easily submit requests via NCS Credit's Online Services or through a convenient Import File* or API*.	✓	✓
Service Agreement Verification: Our UCC Experts will review your Security Agreement to ensure it includes a collateral description, is signed and dated.	✓	—
Corporate Name Verification: Ability to obtain Articles of Incorporation and a copy of the Corporate Certificate to determine the correct filing jurisdiction and ensure the debtor's name is properly indexed.	✓ *	✓ *
Peer Review: The UCC filing is carefully reviewed for strict compliance with UCC Article 9 prior to recording.	✓	—
File the UCC: With the information in hand, your UCC Specialist will file the UCC with the proper state office.	✓	✓
Reflective Search: Once the UCC is filed, we conduct a reflective search to ensure there are no indexing errors.	✓	—
NCS Credit's Online Services: Easily manage and monitor your UCC filings online, which includes access to all document images.	✓	✓
UCC Monitoring: Six months prior to filing expiration, we will send you a notification to confirm whether the filing should be continued. If no response is received, the filing will be automatically continued.	✓ *	✓ *

*Additional fees apply.
